

LANOLIN

TIG WELDING GLOVE

Features

- Long cuff
- Wing thumb
- Weltd seam
- Flame resistant Kevlar thread

Risks

Protects from

- Burn injuries
- Heat injuries
- Abrasions
- Blisters
- Grazes
- Scratches
- Lacerations

Benefits

- Resists welding sparks & grinding splash
- Abrasion resistant
- Good dexterity
- Superior tactility & precision
- Durable

Specification

Color: White
Size: 10 / XL
Length: 35 cm
Palm Material: Full-grain goatskin leather
Cuff Material: Cow split leather
Liner: Unlined
Thickness: 0.7 mm
Sewn Material: Kevlar threads
Origin: Pakistan

Standards

Industries

- Shipbuilding
- Construction
- Engineering
- Manufacturing
- Automotive
- Mining
- Aerospace

Applications

- Welding
- Brazing / Bonding / Riveting
- Grinding
- Metal fabrication
- Repairing & maintenance
- Mining
- Metal working & assembly operations
